## – Correction – Notice of Proposed *Emergency* Regulations

Audits of K-12 Local Education Agencies – Fiscal Year 2008-09

The period for submitting written comments to the Office of Administrative Law regarding the proposed *emergency* audit guide regulations will end June 3, not June 2 as stated in the May 20, 2008, Notice.

On May 20, 2008, the Education Audit Appeals Panel (EAAP), acting pursuant to the requirements of Government Code Section 11346.1(a)(2), mailed a Notice to every person who has filed a request for notice of regulatory action with EAAP, of proposed *emergency* regulations to revise the audit guide as of July 1, 2008, for the performance of the audits required by Education Code Section 41020 for the 2008-09 fiscal year. The proposed *emergency* regulations and finding of *emergency* were enclosed in that mailing.

### Written Public Comment on the Proposed *Emergency* Regulations

The proposed *emergency* regulations were filed with the Office of Administrative Law (OAL) on May 28, 2008, but were not posted on the OAL web site until May 29, 2008. OAL will consider comments that are *received* by OAL for five *calendar* days following posting of the Notice on the OAL web site. Thus, the period for submitting written public comments to OAL will end on June 3, not June 2 as stated in the May 20, 2008, Notice. If you wish to comment on the *emergency* regulations, your comments must be received by OAL **not later than 5:00 p.m. on June 3, 2008.**

If you have comments regarding the proposed *emergency* regulation changes that you would like OAL to consider, you must submit those comments *in writing* to OAL and to EAAP at the addresses on the reverse. You must *specify the topic* of the emergency regulations (Audits of K-12 Local Education Agencies – Fiscal Year 2008-09). To facilitate review by OAL, please indicate to which section(s) and paragraph(s) your comments pertain (for example, Sec. 19816(f)(6)).

### Comment Period for the Proposed *Permanent* Regulations

As stated in the May 20, 2008, mailing regarding the *emergency* regulations, once approved by OAL and filed with the Secretary of State (on or about June 6, 2008), the *emergency* regulations will remain in effect until replaced by *permanent* regulations. The Notice of Proposed Rulemaking, announcing the 45-day comment period for the proposed *permanent* regulations, was published in the California Public Notice Registry on May 30, 2008. This mailing includes the Notice of Proposed Rulemaking along with information regarding the public comment process for eventual adoption of *permanent* regulations.

Submit written comments regarding the proposed *emergency* regulations so that your comments are *received* by OAL **not later than 5:00 p.m. on June 3, 2008**:
